Shipping Policies and Information

Due to various state laws, there are some states that we are unable to ship wine to. Please contact us for further details. Shipping charges will be processed in addition to order total.

Age Verification

By placing an order with us you are stating that you are 21 years of age and that the recipient of the order is also 21 years of age. We require our shipping carrier to add the Adult Signature option, resulting in the carrier verifying the age of the recipient when the package is delivered.

Receiving a Shipment

If the recipient of the wine will not be at home during regular business hours, we highly recommend sending the order to a commercial or business address where the package can be received and signed for. Orders containing alcohol cannot be left on a doorstep or sent to a P.O. Box. If no one is available for delivery, two additional attempts will generally be made. If the package is not signed for and received, and is subsequently returned to us, there will be an additional shipping charge to resend the package.

Privacy policy

We are committed to protecting the privacy of the users of our website. When you place an order or provide us with personal information, we use it for internal or service-related purposes only. The information we collect is used to notify you of changes to the website, new releases, or special offers and events we think you'll find valuable. This information is never shared with anyone beyond the support staff of our website and winery, except when required by law enforcement investigation.
